Is Jesus Really God? (View as PDF) (EPUB) The issue of the deity of Jesus Christ has been hotly debated for centuries. It was an Alexandrian theologian named Arius who popularized the view that the preincarnate Christ was a created being who was, both in Essence and in Person, distinct from God. His view came to be called "Arianism," and was condemned by early church councils.

Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.
