### **Free First Grade Math Worksheets: Number Sense, Addition**

First grade is an exciting adventure for students. This may be the first time they are in school for a full day, the first time they read an entire book, or the first time they write a story. You can help your students by encouraging them to read independently as well as continuing to read together.

### **Subtraction to 20 First Grade by Proud to be Primary | TpT**

Below you will find a typical daily schedule for Kindergarten-6th Grade students. Students will learn English in the morning and Math in the afternoon. They will also visit the Apple Computer Lab two times a week, along with the Video Game Room that is equipped with game consoles such as Nintendo Switch, PS4, and Xbox One for 30 minutes each.

### **Math | Math Enrichment**

Having experienced the negative effects of students subjected to too much "daily math" firsthand, I am skeptical of the benefits. But for parents who simply want to expose their children to a variety of math problems, I think that this collection (of 25 sets of 8 problems each) is a good choice.
