

introduction to european tax pdf

The European Union financial transaction tax (EU FTT) is a proposal made by the European Commission to introduce a financial transaction tax (FTT) within some of the member states of the European Union initially by 1 January 2014, later postponed to 1 January 2016, then to the middle of 2016 and then to September 2016.

European Union financial transaction tax - Wikipedia

The so-called European Union withholding tax is a withholding tax which is deducted from interest earned by European Union residents on their investments made in another member state, by the state in which the investment is held.
