An apprenticeship is a system of training a new generation of practitioners of a trade or profession with on-the-job training and often some accompanying study (classroom work and reading). Apprenticeship also enables practitioners to gain a license to practice in a regulated profession. Most of their training is done while working for an employer who helps the apprentices learn their trade or ...

Earlier this year, the realms of law and new media collided when Lori Drew was hit with federal charges for creating a fake MySpace page and harassing a neighboring teenager, who then committed suicide. In another case of courtrooms v. technology, prosecutors are reportedly searching Facebook and MySpace for photos of defendants to use as character evidence in sentencing hearings.
