Universal access to education is the ability of all people to have equal opportunity in education, regardless of their social class, gender, ethnicity background or physical and mental disabilities. The term is used both in college admission for the middle and lower classes, and in assistive technology for the disabled. Some critics feel that this practice in higher education, as opposed to a ...

Universal access to education - Wikipedia

Universal design (close relation to inclusive design) refers to broad-spectrum ideas meant to produce buildings, products and environments that are inherently accessible to older people, people without disabilities, and people with disabilities.. The term "universal design" was coined by the architect Ronald Mace to describe the concept of designing all products and the built environment to be ...
